

LAURENS PUBLIC LIBRARY HISTORY
PART II 1965-2006
Prepared by Sandra Neary
June 30, 2006

This history is in time-line form. All dated entries are taken from the Laurens Public Library Board of Trustees minute books from January 1965 through June 2006. These entries are representative of “library activities and procedures” through the years, but by no means totally inclusive.

The Appendices are a compilation of data obtained from all the minute books dated February 1901 through June 2006 which are on file at the library.
