

Moving day at the library(s)

The city park is filled with activity as the move from the old to the new library building is completed. Library officials had planned to complete 118 the move Saturday and Sunday, but the response from local students and 139 organizations was so great that the job was finished Saturday afternoon. uej Organization and cleaning have taken up all of the time since the last L book was transferred across the yard separating the two buildings, and dns library officials hoped to have the new Laurens Public Library open 194 yesterday (Wednesday).-SunShots
